The Honorable Kay Ivey
Governor of Alabama
600 Dexter Avenue
Montgomery, AL 36130

Dear Governor Ivey,

I am Gavin Goodman, the chairman of the Libertarian Party of Alabama. I am writing to you on behalf of Frank Dillman. I have known Frank for over two years and in that time, I have seen him stand up for the citizens of our great state and passionately give of himself to help others. I am honored to call him a friend. For these reasons and many more, I wholeheartedly recommend him for appointment to the position of Macon County Commissioner for District 4.

Frank has been active in local politics for nearly 30 years. He is willing to roll up his sleeves and get the work done. He is passionate about liberty, and he will take his oath to serve and defend the constitution seriously. There can be no better person for this role, and I am proud to support him. Frank is also true patriot, who served 20 years in the Navy. He is a man who has served our nation with honor, and I know he will continue to do the same for our state.

I hope you will seriously consider Frank Dillman for this appointment. I know he will do you and all in Macon County proud. Thank you very much for your time and consideration.

Sincerely,
